MISSION STATEMENT

The mission of Balboa School is to provide a diverse educational environment that promotes high academic standards, cultivates creativity, and builds the skills necessary for college, career and civic life.

VISION STATEMENT

Balboa School students are creative, successful members of a global society.

CORE VALUES

- **DIVERSITY**
- **CREATIVITY**
- **MASTERY**

PROGRAM

Balboa School offers a broad array of programs within an international student community in one of the most enriching areas of Southern California. Small class size, one-to-one communication, interesting and exciting learning opportunities stimulate passion and the desire to learn. Fully engaged students are happier and look forward to new and interesting learning experiences every day.

Our teachers, course work and SAT preparation develop the fullest potential in our students as they prepare for college and a life of learning in an ever-changing world. Students know our faculty in such a way that the sharing of ideas, working as a team for a common goal, and sophisticated conversation with peers becomes second nature.

We teach within a framework of traditional values and evolved curriculum that provides students the individual attention needed to achieve personal goals while developing the academic skills and study skills necessary to succeed in college, career, and civic life.

STUDENT LEARNING OUTCOMES

At Balboa School, we expect each of our students to:

- Achieve high academic standards.
- Create work that demonstrates innovation and originality.
- Cooperate in the classroom and community.

CHEATING

In copying, a student is taking the work of another, either on classwork, homework or on a test, and claiming it as his/her own. At Balboa School cheating includes but is not limited to:

- Pressuring other students to violate the Honor Code.

PLAGIARISM

The act of plagiarism may include direct copying, but it may also be more complex than verbatim repetition. A student, in preparing a project for a class, will have plagiarized if he/she has taken information from sources without citing what sources were used. Plagiarized material may appear in a student’s paper as word-for-word copying, a

summation, or a paraphrase of another's ideas. A student has plagiarized whether the material from another source has been taken in whole or in part. In effect, by not naming the source, the student is claiming the work of another as his/hers. Violation include but are not limited to the following:

- Submitting images and/or documents in whole or in part from the Internet without citation of the source(s).
- Copying another's work.
- Using another's ideas without proper citations.

Sexual Harassment Policy

Sexual harassment of or by any student shall not be tolerated. Balboa School considers sexual harassment to be a major offense that will result in disciplinary action up to and including dismissal of the offending individual, and may lead to personal legal and financial liability.

Pursuant to Education Code section 212.5, unwelcome sexual advances, requests for sexual favors and other verbal or physical conduct of a sexual nature made by someone from or in the educational setting constitute sexual harassment when:

1. Submission to the conduct is made either explicit or implicit.
2. Submission to or rejection of the conduct is used against the harassed individual.
3. The harassment substantially interferes with an individual's work, academic performance or creates an intimidating, hostile or offensive environment.
4. Submission to, or rejection of, the conduct is the basis for any decision affecting an individual regarding benefits and services, honors, programs, or other available activities.

Harassment can take many forms. Everyone must be sensitive to the feelings of others and must not act in a way that might be considered harassment by someone else. Forms of sexual harassment include, but are not limited to, the following:

1. Verbal Harassment: Derogatory comments, jokes or slurs, deprecating sexual remarks, inappropriate slang references to women or men or unwelcome sexual advances.
2. Physical Harassment: Unnecessary or offensive touching, or impeding or blocking movement.
3. Visual Harassment: Derogatory or offensive posters, cards, cartoons, graffiti, drawings or gestures.
4. Textual & Virtual Harassment: Derogatory comments, jokes or slurs, deprecating sexual remarks, inappropriate slang references to women or men, unwelcome sexual advances and/or pictures, via computer or cell phone.
5. Sexual Favors: Unwelcome sexual advances, requests for sexual favors carried out verbally or physically. The illustrations stated above are not to be construed as an all-inclusive list of prohibited acts under this policy.

A written record of each action taken regarding a student who is determined to have engaged in prohibited conduct pursuant to the policy and complaint procedure will be placed in the offending student's file, provided, in accordance with education Code 44031, the report shall not be entered or filed unless and until the student is given notice and an opportunity to review the comment thereon. A student also shall have the right to enter, and have attached to any derogatory statement to be placed in the file, his or her comments thereon. The record to be placed in the file will reflect the conduct, or alleged conduct, the nature, scope, and findings of the investigation, the warning given, or other discipline imposed.

An individual who feels that he/she is being harassed should immediately report such incident to a counselor. There will be no retaliation against an individual by the administration for making a complaint of sexual harassment. The administration will resolve these complaints in as thorough and confidential a manner as possible.

EIGHTH GRADE PROMOTION REQUIREMENT

- Academic GPA of 2.0 and above for ALL subjects.
- The student may be placed on Academic Probation or retained from a grade if he/she does not meet these requirements.
- All students at Balboa School are expected to meet the following requirements in order to matriculate into our high school program.

Elementary School Curriculum

The goal at Balboa School at the elementary level is to help students enjoy learning, build positive self-esteem and explore their full potential while preparing them for success in middle school and beyond. Class sizes are small and, as a result, students learn more effectively than they do in large traditional classrooms. Rules, expectations, and homework are well communicated to students and parents. Balboa School strives to create positive learning experiences that encourage students to engage with the curriculum and work towards mastery of academic goals.

Students at Balboa School learn in an environment that provides a blend of strong academics combined with opportunities for individual and social growth. The teacher challenges and supports every learner.

Elementary students receive multi-modal learning experiences in small class sizes. Visual, auditory, and kinesthetic learning experiences are placed on a par with pedagogical demands. Students learn through direct instruction, peer interaction, project-based learning, classroom discussions, and learner-centered lessons.
