Face Mask Acknowledgement Form

Name: _____

_____ Grade

Balboa School will issue one face mask to each student attending class on campus. This mask is being provided in accordance with the San Diego County Executive order. The wearing of a mask is not intended to replace social distancing, which should ideally be practiced even while wearing a mask. Any mask that is damaged or lost will be replaced at the student expense of \$15 each. Students are welcome to bring & wear their own **clean** masks instead of the one issued to them. Additional masks can also be purchased for \$15 each.

Balboa School can neither independently certify nor guarantee that this mask will completely prevent any virus transmittal including, but not limited to, COVID-19. Balboa School is not liable for any issues arising or relating to the use (whether directly or indirectly) of the mask including, but not limited to, transmittal of any virus.

Recipient Section

I acknowledge the receipt of a face mask issued by Balboa School for my use at school during the COVID-19 Pandemic. I understand that this mask is to be **clean** & brought to school daily to use during scheduled school hours.
