Chromebook Number: _____

STUDENT CHROMEBOOK– BORROWER RESPONSIBILITY FORM

Student Name: _____

Student Email Address: _____

Parent Name(s): _____ Parent Email Address: _____

Balboa School offers students the ability to use a loaner Chromebook at no charge as a courtesy to students who are currently enrolled in our program. Balboa School retains the right to deny any student the use of a Chromebook if the student violates any policy put forth in the student handbook. For fair use, Chromebooks are non-renewable & must be turned in after the last final has been taken for the school year. Failure to turn in the Chromebook on time will result in a late fee of \$50. Grades & transcripts will not be provided until the Chromebook has been returned and late fees have been paid.

I understand the Chromebook and power supply cord is a loan to me. All policies & procedures put forth by Balboa School must be followed.

Should the Chromebook and/or any peripheral devices be damaged, lost, or stolen, will result in a \$300 repair or replacement fee.

Any configuration and use of the Chromebook with non-Balboa School equipment is not the responsibility of Balboa School & Balboa School does not offer technical support.

No repairs will be made to the Chromebook. Chromebooks needing repair should be turned into Administration.

Altering or removing the inventory id sticker or the serial number on the Chromebook is strictly prohibited, any attempts to alter the Chromebook will result in the \$300 replacement fee.

Lending or renting the Chromebook to anyone is a violation of this contract.
